

Shipping Terms and Conditions

Each new order will be shipped in the timeliest manner possible. In-stock items will ship from our warehouse within 1-2 business days of your order being processed. Out of stock, specialty items, backorders, or preorders will be shipped when available. If an order contains one of these items, the entire order can be held until the backordered item is in stock. To ensure all ordered items arrive in a timely manner, separate orders should be made for all out of stock, specialty, backorder, and preorder items. Please note that we ship Monday-Friday, and do not consider weekends or US holidays as business days.

FedEx services **will not** deliver to P.O. Box addresses. Media Mail and Value Shipment methods are available only for limited items and can take up to 14 business days to reach domestic locations, so please plan accordingly. Certain restrictions, as well as additional charges, may apply depending on products and delivery location.

All express orders placed after 4pm ET will be shipped next-business day.** We ship Monday-Friday from our local warehouse; weekend and holiday deliveries are excluded.
